Eating Out

We have our favourite restaurants and eateries in and around Keswick. Here are a selection of them. (Phone numbers are prefixed by 017687)

English

You can't go wrong with The Pheasant, [72219](#) (just around the corner). It does fabulous pub food and is very handy.

The Pack Horse, [71148](#) in Pack Horse Court has always served lovely food. Sit upstairs if you can.

For something a bit more special, our favourite is Morrel's [72666](#) on Lake Road. If you fancy takeaway Fish & Chips to eat down by the lake or somewhere scenic, we recommend either The Kingfisher or The Keswickian (near the Moot Hall)

Italian

There is a good choice of Italian restaurants. Casa Bella [75575](#) on Station Street is very good. For pizzas, LBs [72083](#) is great. (through alleyway by the Skiddaw Hotel)

Indian

The Sultan of Keswick, [75575](#) on St John's Road is really good and I've always enjoyed the food at Lakeland Spice, [80005](#)

Chinese

Golden Hills [73165](#) on Main Street is excellent and fast service.

Other

Wood Stone [73523](#) on St John's Street is good for burgers & pizzas.

Merienda [72024](#) cafe restaurant with an eclectic evening menu – very tasty.

Bar 26 [80863](#) is good for lunch.

The Dog & Gun [73463](#) - Try the legendary Hungarian Goulash if you can get a table.

I think that sums up our favourites. If you have other ideas, let us know – we will have to try them! During peak season and weekends we would recommend booking with most of the restaurants as they can get extremely busy.
