

Eating Out

We have our favourite restaurants and eateries in and around Keswick. Here are a selection of them. (Phone numbers are prefixed by [017687](#))

English

You can't go wrong with The Pheasant, [72219](#) (just around the corner). It does fabulous pub food and is very handy.

For something a bit more special, our favourite is Morrel's [72666](#) on Lake Road. They do a very good and reasonably priced set menu on a Sunday.

If you fancy takeaway Fish & Chips to eat down by the lake or somewhere scenic, we recommend Windebrowe Chippy, but if you are walking, The Keswickian (near the Moot Hall) is very good too.

Italian

There is a good choice of Italian restaurants. Casa Bella [75575](#) on Station Street is very good. Luca's [74621](#) on High Hill has a fantastic ambiance and excellent food. For pizzas, LBs [72083](#) is great.

Indian

Just one Indian Restaurant is left in Keswick currently, luckily it is a good one - Lakeland Spice [80005](#)

Chinese

We all love The Silk Road [71364](#) in Museum Square. (We get our takeaways from here). The Happy Hour meal is excellent value. Golden Hills [73165](#) on Main Street is excellent and fast service. Star Of Siam [71444](#), Thai on Main Street.

Other

Bar Metro [44351](#) American Bar & Grill – Best Steak ever! Great Nachos & Burgers too. Just by the mini roundabout

Wood Stone [73523](#) on St John's Street is great for burgers (& pizzas).

Merienda [72024](#) cafe restaurant with an eclectic evening menu – very tasty.

Bar 26 [80863](#) is good for lunch & tapas.

I think that sums up our favourites. If you have other ideas, let us know – we will have to try them! During peak season and weekends we would recommend booking with most of the restaurants as they can get extremely busy.
